## STAGECOACH VINEYARD CABERNET SAUVIGNON 2019

### WINEMAKING:

From the famed Stagecoach Vineyard on the shoulders of Atlas Peak, growing high-altitude fruit, with steady diurnal shifts and even ripening above the Valley's fog line. Small clusters hand-harvested before dawn are optically-sorted before traditional fermentation, with extended maceration on the skins. Aged in 70% new French oak barrels for 29 months, with native malolactic fermentation completed by its first spring.

### TASTING NOTES:

A wine that truly shows where it's from, exhibiting the intensity of color that comes from phenolic development above the fog and the stoic character of one who's long lived on the mountain. Aromas of violet, clove, and Christmas spice swirl in the glass with a subtle barrel backing of black cherry and vanilla. Smooth on the palate, its balanced acid lifting flavors of cinnamon and dried stone fruit.
